A number of group exhibits are sponsored each year and members have opportunities to mount solo exhibits. The Association's website provides online galleries for members, helps them connect with other artistic resources & exhibit opportunities, and publicizes their current activities. Both peer review and professional critiques are available. Monthly meetings include professional guest speakers, hands-on workshops, member-led demonstrations and discussions. Membership is \$30 for the calendar year. Meetings are held on the 1st Tuesday of the month from September through July and are open to the public.
