**The Riverdale Art Association** consists of artists who share their work and their love of art with each other and the community. Open to a range of skill levels, the Association provides an opportunity for aspiring and professional artists to exhibit their work together, creating a sense of community where new avenues of creativity can be explored and expressed. A number of group exhibits are sponsored each year; members have opportunities to mount solo exhibits. The Association's website provides online galleries for members, helps them connect with other artistic resources & exhibit opportunities, and publicizes their current activities.

Both peer review & professional critique are available. Monthly meetings include professional guest speakers, hands-on workshops and member-led demonstrations and discussions.

Membership is \$40 for the calendar year. Meetings are held on the 1st Tuesday of the month from September through July. All meetings are open to the public.

**All artwork is available for sale**
