**The Riverdale Art Association** consists of artists who share their work and their love of art with each other and the community. Open to a range of skill levels, the Association provides an opportunity for aspiring and professional artists to exhibit their work together, creating a sense of community where new avenues of creativity can be explored and expressed. A number of group exhibits are sponsored each year; members have opportunities to mount solo exhibits. The Association's website provides online galleries for members, helps them connect with other artistic resources & exhibit opportunities, and publicizes their current activities.
