The Riverdale Art Association consists of artists who share their work and their love of art with each other and the community. Open to a range of skill levels, the Association provides an opportunity for aspiring and professional artists to exhibit their work together, creating a sense of community where new avenues of creativity can be explored and expressed. A number of group exhibits are sponsored each year; members have opportunities to mount solo exhibits. The Association's website provides online galleries for members, helps them connect with other artistic resources

This show was curated by Judith Zucker, Exhibits Chair of Riverdale Art Association with the assistance of its members. To purchase any art contact jbzucker30@gmail.com
